FROM THE PASTOR'S DESK

Submitted by: Minster Treyvon J. Sinclair
Minister to Children/Youth & Young Adults

Greetings, First Calvary! The month of June is where we as a church celebrate our youth! This is the month that First Calvary takes the time to recognize the generation that will carry the mantel of the church and community of tomorrow. Help me recognize the Youth of First Calvary! This group has some of the most brilliant, talented, beautiful, young black minds this world has ever seen. Church, let us not forget to tell them how much they mean to this Body of Faith. They are the future….it is important to acknowledge the mantel that they will carry for generations to come. We need them to survive!

This year our Youth Month theme is "Don't Deny the Right to Love You". This is taken from a familiar scripture, Psalm 139: 14, "I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Our children and youth need to be reminded that they are WORTHY OF LOVE, God's Love and ours. They don't have to earn it, or pay for it, or bargain for it…. THEY ALREADY HAVE IT! In today's society, full of tik tok, Instagram, and the like… pressure is real for our youth (and let's be honest, for our adults too). The reach of the world is far, but the reach of God is greater. He is our greatest champion…and our youth need to know it! You are fearfully and wonderfully made…and LOVED…by Him! What does that mean? It's means you are in the club…you are chosen…you are set apart…there is something different about YOU. You are following the rightful Leader. You can see the world through eyes that are touched by God… our spiritual eyes. We have a clearer vision for our lives and we have a different perspective. We already have the victory in Jesus. We are the lenders and not the borrowers. We are God's exclusive possession. Children and Youth of First Calvary….and all of First Calvary… God's Hand is on us….He is our true source and guide!

A great, special shout out to the team of our Youth Council. Their hard work puts hands to Ministry…and their hard work brought this weekend to fruition. We encourage parents and other adults and young adults to become a part of this viable and valuable ministry. I promise you that they would be excited to have you join YC! And to any children and youth out there that are not active in the FC Children and Youth Ministry….what are you waiting for? Get on the bus…and remember that YOU ARE FEARFULLY AND WONDERFULLY MADE!

THE DEACON'S MESSAGE

Have you ever encountered someone that seems to radiate with a shining face all the time? Is it difficult for you to be happy, to get that shine? If you spend more time searching externally for things to make you happy rather than tapping into the undercurrent of joy that flows from your soul it will be difficult to shine…difficult to smile. When we know God, our outlook on life is full of vitality. Even though we will encounter problems they will never overpower the knowledge we possess that tells us God is real and intimately concerned about our well-being. Numbers 6:24-26 (NIV) reads *"The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace."* Read this passage to help you remember God is able to do all these things and you will tap into the wellspring of joy God has already placed within you. I am sure God hopes to see your shining faces amongst the crowd.

Physical Activity Guidelines for Children

Being physically active every day is important for the healthy growth and development of babies, toddlers, and preschoolers.

Babies under 1 year

Babies should be encouraged to be active throughout the day, every day in a variety of ways including crawling.

If they're not crawling, encourage to be physically active by reaching and grasping, pulling and pushing, moving their head, body and limbs during daily routines and during supervised floor play. Try to include at least 30 minutes of tummy time spread throughout the day when they're awake. Once babies can move around, encourage them to be as active as possible in a safe and supervised play environment.

Toddlers (age 1-2 years) Toddlers should be physically active every day for at least 180 minutes (3 hours). The more the better. This should be spread throughout the day, including playing outdoors. The 180 minutes can include light activity such as standing up, moving around, rolling and playing, as well as more energetic activity like walking, skipping, hopping, and jumping.

Active play, such as using a climbing frame, riding a bike, playing in water, chasing games and ball games, is the best way for their age group to get moving.

Preschoolers (age 3-4)

Preschoolers should spend at least 180 minutes (3 hours) a day doing a variety of physical activities spread throughout the day, including active and outdoor play. The more the better.

The 180 minutes include at least 60minutes of moderate-to-vigorous intensity physical activity.

Children under 5 should not be inactive for long periods, except when they are asleep. Watching TV, travelling by car, bus or train, or being strapped into a buggy for long periods are not good for a child's health and development.

All children under 5 who are not overweigh t can improve their health by meeting the activity guidelines, even if their weight does not change. To achieve and maintain a healthy weight, they may need to do additional activity and make dietary changes EX: tummy tone, playing with blocks, messy play, jumping, walking, dancing, swimming, climbing skipping, throwing/catching.

Children and young people aged 5 to 18 should:

- Aim for an average of at least 60 minutes of moderate or vigorous intensity physical activity a day across the week
- Take part in a variety of types and intensities of physical activity across the week to develop movement skills, muscles and bones
- Reduce the time spent sitting or lying down and break up long periods of not moving with some activity. Aim to spread activity throughout the day

Examples include:

- Walking to school or walking the dog, playground activities, including jumping, running and catching
- Physical education, sports, like football or tennis, swimming, skipping, dancing, skateboarding or rollerblading, cycling
