**FROM THE PASTOR'S DESK**

We are coming together each week on Wednesdays to "Discover the Vision". I invite our church family to join us. We are here in person, and encourage you to be with us. Though Zoom and Facebook are also available, there is nothing like being in the room. We have had some engaging and thought-provoking sessions already and I am believing that will only continue and grow. See you there.

I also invite you to join us on Wednesday mornings as we pray together as a church. The "Mid-Week Tune Up" is just that...a time where we take a few moments to get some mid-week energy and take a little time to talk to God, to thank God, to seek God, to even praise God. Listening in at home, listening in safely on the way to work, listening in at work (making sure that there is no work interference, of course)...just listening is so important and something I am encouraging our church family to do. This continues to connect us as a church...it connects us to one another and as Pastor and people.

"We Are First Calvary"! That is a big phrase and it means a lot. Today we will see the first ever "We Are First Calvary" video segment. This is a moment to highlight membership at First Calvary and we will see them periodically. We will take a peek into a member's journey at this church and be reminded that ours is a collective Body of Faith that is connected to one another. We worship together, we love together, we do life together...and that means something. You get a "snippet" today...but please visit our YouTube channel and see the entire, wonderful interview with Mr. Robert and Mrs. Dorothy Vance, who have been members of First Calvary for 25 years ...that's

a lot of time to acquire some "adopted sons and daughters"! "We Are First Calvary" ....all of us...and God has a purpose for us each individually and as His church. As I shared with members of our Staff/Team this week, we will let God lead His church.

Because of Calvary,  
Pastor Marc

**THE DEACON'S MESSAGE**

When you have a relationship with the Lord you can count on Him working things out for your good. However, I would never call it basic math. Typically one plus one equals two, but when you are dealing with the Lord, the answer could be five or five thousand. In the Book of Luke the ninth chapter, we find Jesus feeding over five thousand people. He took two fish and five loaves of bread and prayed over the food. "...But he said to his disciples, 'Have them sit down in groups of about fifty each.' The disciples did so, and everyone sat down. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke them. Then he gave them to the disciples to distribute to the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over.'" Luke 9:14-17, NIV When the Lord is on your side, He is a multiplier, a miracle worker and Savior. Forget about the basic math and trying to solve problems your way. It will never work. Leave it to Jesus!
